Cause he never could find  
nothin' better to do

Ch: And a lot of folks are like that foolish frog of mine  
Runnin' into trouble just to pass away the time  
And the devil is always looking around and waitin' to  
grab that kind  
Cause he never can find  
nothin' better to do

2. That frog of mine was mighty fond  
of jumpin' in his neighbors pond

cause he never could find  
nothin' better to do  
Well he jumped around to beat the band  
till he jumped into a frying pan  
cause he never could find nothin' better to do

3. Well all you people who sing this song  
remember why that frog went wrong  
cause he never could find  
nothin' better to do  
So keep on workin' and any old pay  
till the big horn blows on judgement day  
cause you never will find  
nothin' better to do
