"Baby, The Rain Must Fall"

Some men climb a mountain
Some men swim the sea
Some men fly above the sky
They are what they must be

But, baby the rain must fall
Baby, the wind must blow
Wherever my heart leads me
Baby, I must go, baby I must go

I do not love for silver
I do not love for gold
My heart is mine to give away
It never will be sold

But, baby the rain must fall
Baby, the wind must blow
Wherever my heart leads me
Baby, I must go, baby I must go

I am not rich or famous
But who can ever tell
I don't know now what waits for me
Maybe Heaven, maybe Hell

But, baby the rain must fall
Baby, the wind must blow
Wherever my heart leads me
Baby, I must go, baby I must go
