Shoot down  
Shoot out the lights  
I'm not going home  
Alone tonight  
I'm not going alone  
Alone I'm not tonight

Bury my face in my hands  
Repetition starting again and again  
I'm licking my wounds I taste the salt  
Telling everybody it's not my fault

Look out world here it is  
Twenty nine hearts I meant to kiss  
Ready or not I think it was  
Twenty nine hearts melting the sun  
Look out girl here it is  
Twenty nine feverish acts I kiss  
Ready or not here it comes  
It's twenty nine  
Twenty nine acts of love

Who knows  
I'm walkin'  
Alone in the spotlight  
I'm holding my hand out for you  
The hex of the ex  
The hex of the ex

Bury my face in my hands  
Repetition starting again to dance  
I'm licking my wounds I taste the salt  
I'm telling my body it's not my fault

Look out world here it is  
Twenty nine hearts I meant to kiss  
Ready or not I think it was  
Twenty nine hearts melting the sun  
Look out girl here it is  
Twenty nine feverish acts I kiss  
Ready or not here it comes

It's twenty nine  
Twenty nine acts of love

Acts of love  
It's just twenty nine acts of love  
Alone I'm not tonight  
The hex of ex  
The hex of ex

Look out world here it is  
Twenty nine hearts I meant to kiss  
Ready or not I think it was  
Twenty nine hearts melting the sun  
Look out girl here it is  
Twenty nine feverish acts I kiss  
Ready or not here it comes  
It's twenty nine  
Twenty nine  
Oooooh oooooh oooooh
