You're under the blue sky  
Wondering why a silly old question  
A silly old question  
Don't walk on the tight rope  
So never look down  
See your reflection  
Could dance on the clouds

Oh we're livin' alone  
Nobody knows  
A shadow behind you

Nobody to love  
You're lookin' so pretty  
Lookin' so pretty

Oh, we're living alone  
But nobody knows... you  
Said nobody knows...you

A silly old question  
We're living alone  
But nobody knows
