Hello hello hello hello hello hello...

I'm lost in all of your fears  
Tell me what has happened here  
Is the sun ever down?  
Will they ever ever cry  
I'm lost in all of your fears  
I'm lost in all of your fears  
I wanna stay low oh oh oh  
I'll take you down with me

It's like  
Love songs they're holding holding  
Love songs they're holding holding  
Love songs they're holding holding  
Hello hello hello hello...

I'm lost in all of your fears  
Tell me what has happened here  
Tell me what the f\*ck all up then  
Shrouded fray  
Hold down your walls hold down your walls  
I'll take 'em up again  
I'll drag you down with me

Love songs they're holding holding  
Love songs they're holding holding  
Love songs they're holding holding  
Hello hello hello hello

I'll drag you down with me  
I'll drag you down with me  
Down to the floor  
Down to the floor

It's like  
Love songs they're holding holding  
Love songs they're holding holding  
Love songs they're holding holding  
Hello hello hello hello...
