(2 x)

Bring it back,
Back to the way that it used to be.
Bring it back,
'cause I know, I know, I know, I know.

Bring it back, bring it back, bring it back, bring it back.

I see the ..I'm just waiting for my baby
But I keep waiting and it's gonna take some time
I know that you're gonna be my baby
Can't you see how I feel?

Bring it back,
Back to the way that it used to be.

I'm concentrating that you're gonna be my baby
But I keep waiting and it's gonna take some time
I know that you're gonna be my baby
Can't you see how I feel?

2 x Chorus:

Bring it back,
Back to the way that it used to be.
Bring it back,
'cause I know, I know, I know, I know.
Bring you back, bring you back, bring you back
Back to the way that it used to be
Bring you back.

Bring you back.

So bring you back, back back...
