First, when there's nothing but a slow glowing dream  
That your fear seems to hide deep inside your mind  
All alone I have cried, silent tears full of pride  
In a world made of steel, made of stone

Well, I hear the music close my eyes, feel the rhythm  
Wrap around, take a hold of my heart

What a feeling, being's believin'  
I can have it all, now I'm dancing for my life  
Take your passion and make it happen  
Pictures come alive, you can dance right through your  
life

Now, I hear the music, close my eyes, I am rhythm  
In a flash it takes hold of my heart

What a feeling, being's believin'  
I can have it all, now I'm dancing for my life  
Take your passion and make it happen  
Pictures come alive, now I'm dancing through my life  
What a feeling

What a feeling  
(I am music now)  
Being's believin'  
(I am rhythm now)  
Pictures come alive, you can dance right through your  
life

What a feeling  
(I can really have it all)  
What a feeling  
(Pictures come alive when I call)  
I can have it all  
(I can really have it all)  
Have it all  
(Pictures come alive when I call)

Call, call, call, call, what a feeling  
(I can have it all)  
Being's believin'

(Being's believin')  
Take your passion, make it happen  
(Make it happen)  
What a feeling
