First, when there's nothing but a slow glowing dream
That your fear seems to hide deep inside your mind
All alone I have cried, silent tears full of pride
In a world made of steel, made of stone

Well, I hear the music close my eyes, feel the rhythm
Wrap around, take a hold of my heart

What a feeling, being's believin'
I can have it all, now I'm dancing for my life
Take your passion and make it happen
Pictures come alive, you can dance right through your
life

Now, I hear the music, close my eyes, I am rhythm
In a flash it takes hold of my heart

What a feeling, being's believin'
I can have it all, now I'm dancing for my life
Take your passion and make it happen
Pictures come alive, now I'm dancing through my life
What a feeling

What a feeling
(I am music now)
Being's believin'
(I am rhythm now)
Pictures come alive, you can dance right through your
life

What a feeling
(I can really have it all)
What a feeling
(Pictures come alive when I call)
I can have it all
(I can really have it all)
Have it all
(Pictures come alive when I call)

Call, call, call, call, what a feeling
(I can have it all)
Being's believin'

(Being's believin')
Take your passion, make it happen
(Make it happen)
What a feeling
