"Fly"

I Know The Clock's Are Running Slow
And We'll Get There In The End
Still Flows The River's Running Low
You're The Needle Stuck In My Vein

I Know There's Gonna Come A Time
When You're Gonna Turn Round On Me
I Know There's Gonna Come A Time
When You're Wanting To Be Free

We Fly

I Know The Clock's Are Running Slow
And That Look Is In Your Eye
I Know There's Gonna Come A Time
When The Thought Gets In Your Mind

I Know There's Gonna Come A Time
When You're Gonna Turn Round On Me
I Know There's Gonna Come A Time
When You're Going To Believe
We Fly Alone
The Sky's My Home
You Wait For Me
Where I Am

I Know The Clock's Are Running Slow
And The Look Is In Your Eye
By Now I Should've Realized
That The Thought Is In Your Mind

I Know There's Gonna Come A Time
When You're Gonna Turn Round On Me
I Know There's Gonna Come A Time
When You're Going To Be Free
