I wait for you in heaven  
On this perfect string of love  
And drink your soup of magpies in a  
Pottery bowl that looks  
As I am now, brown, round and warm

Chime on a rain wet  
An ankle, toes or two  
Sweetly as it drops upon your head  
Just like it did today

Fortunately gone  
I wait for you

Chime on a rain wet  
An ankle, toes or two  
Sweetly as it drops upon your head  
Just like it did today

Fortunately gone  
I wait for you (chorus \*2)
