No one break for me  
I just got life  
I'm in beer class  
Every Thursday night

I was choppered out of sea life  
Bad advice filled the air  
Valour  
Ready  
Fight  
Go on, get the mayor

Jumped tank  
And leavin'  
Broth of thieves  
Has anyone seen the iguana  
Has anyone seen the iguana

No one broke for me  
I just got life  
I'm in cedars  
Every single night

Swarmed and choppered  
Out of sea life  
Has anyone seen the iguana (4x)  
Has anyone  
Has anyone seen the iguana
