Si la vida un juego secreto  
Me rindo  
No quiero jugar  
People acting like children  
But children aren't evil  
With power they are  
And they play with our lives  
Just a roll of the dice  
And they're betting our future  
The stakes are too high

Nobody gives a damn  
Trying to understand  
If I speak my mind  
Will they deny the prize?  
And If I try to stand where I can see  
Will they still play the game  
With you and me

Y volvemos al mismo rodeo  
De siempre de nunca hacabar  
Life is losing it's value so quickly  
That really you just have to try  
And they play with our lives  
Just a roll of a dice  
And they're betting our future  
The stakes are too high

Nobody gives a damn  
Trying to understand  
If I speak my mind  
Will you deny the prize?  
And if I try to stand where I can see  
Will they still play the game  
with you and me

Roll up  
Roll up  
Place your bets on the table  
What? you've lost?  
The house wins  
The house always wins

Nobody gives a damn  
Nobody gives a damn  
Trying to understand  
If I speak my mind  
Will you deny the prize?  
And if I try to stand where I can see  
Will they still play the game  
with you and me
