i know im a fool  
for taking you for granted  
and i know  
i'ts a bit late now  
to realize that i'm falling for you

you've gone away  
in a different place  
and come back  
being with someone else  
i was about to tell you that  
i love you..

[CHORUS]

i believe that i love you  
and i want you to know that...  
oh.. i'm missing you baby  
and i'm waiting here for you  
i'm not asking you  
to love me back  
all i want for you is to be happy..

oh hoh..  
ohh hooh..

[verse 2]

now that you're here  
i want you to know  
that i'm always here for you...

waiting for that time  
that you'll see me more than  
as a friend..

repeat CHORUS

i know that you're happy now  
with someone else  
and i'm happy for you

but i want you to know that  
I LOVE YOU

repeat CHORUS
