After my visit to the Land Of The Dead  
I have seen the beauty of dying  
This life in Earth isn't worth of living  
compared to the joys of Purgatory

I can see the fear in your eyes  
There is nothing to be afraid  
One pain brings you plenty of pleasures  
It is a cheap price for living eternal

Come with me, join to the Other Side  
Come with me, join us in Nothingness  
Come with me, to the Next Level of Life  
Come with me, to the Shadow World

And behold joy and gladness,  
slaying oxen, and killing sheep,  
eating flesh, and drinking wine:  
let us eat and drink;  
for tomorrow we shall die  
[Repeat]

Come with me, join to the Other Side  
Come with me, join us in Nothingness  
He comes with the clouds,  
and every eye shall see The Beast,  
they also who denied Him.  
And all the tribes of the earth  
shall bewail them because of The Lord

Amen.

Come with me, join to the Other Side  
Come with me, join us in Nothingness

And behold joy and gladness,  
slaying oxen, and killing sheep,  
eating flesh, and drinking wine:  
let us eat and drink;  
for tomorrow we shall die  
[Repeat]

Come with me, join to the Other Side  
Come with me, to the Next Level of Life  
Come with me, join us in Nothingness  
Come with me, to the Shadow World

Come with me...to the Next Level of Life
