Anything for you, though your not here,
since you said were through,
it seems like years,
time keeps dragging on and on,
and forevers been and gone,
still i cant figure what went wrong.

Id still do anything for you,
ill play your game
you hurt me through and through,
but you can have your way,
i can pretend each time i see you,
that i dont care and i need you,
and though you'll never see me crying
you know inside i feel like dying.

I'd still do anything for you
in spite of it all
ive learned so much from you
you've made me strong

Dont ever think that i dont love you
that for one minute i forgot you
but sometimes things dont work out right
and you just have to say goodbye
i hope you find someone who'll please you
someone who'll care and never leave you
but if that someone ever hurts you,
you just might need a friend to turn to.

and id do anything for you
ill give you up
if thats what i should do
to make you happy

I can pretend each time i see you
that i dont care and i dont need you
and though inside i feel like dying
you know youll never see me crying.
Dont you ever think that i dont love you
that for one minute i forgot you
but sometimes things dont work out right

and you just have to say goodbye----
