Say Ay, Ay  
Say Ay, Ay

No quiero que me digas  
que no tienes lo que estoy pidiéndote  
Dámelo por favor  
Y sabes bien lo loca que me estas volviendo  
Eres casi una adicción

What the hell is going on  
What's been takin' so long  
That's the reason for this song  
I'm here, we're gonna get it on

Well if you like this feelin' and you're ready and willin'  
I'll turn it up but it's your call  
Se que te sobran las ganas  
No dejes para mañana  
To watch the sweat drip down the walls

What the hell is going on  
What's been takin' so long  
That's the reason for this song  
I'm here we're gonna get it on

Say Ay, Ay, Say Ay, Ay  
Best describes emotion  
No need to finish the sentence  
To sexually hint it  
You say Ay

Si es muy directo lo siento  
Me gustas, no me arrepiento  
Y se que nunca va a cambiar  
Ya no perdamos el tiempo  
Ay que vivir el momento  
Quien sabe lo que va' pasar

What the hell is going on  
What's been takin' so long  
That's the reason for this song  
I'm here we're gonna get it on

No voy a darte presiones  
No quiero complicaciones  
Solo esta noche aprovechar  
Acabar on the floor, agotada, gimme more (tu quieres)  
Ponerte a sudar

What the hell is going on  
What's been takin' so long  
That's the reason for this song  
I'm here we're gonna get it on

Say Ay, Ay  
Say Ay, Ay  
Best describes emotion  
No need to finish the sentence  
To sexually hint it  
We say Ay

We say Ay, Ay  
We say Ay, Ay  
Best describes emotion  
No need to finish the sentence  
To sexually hint it  
We say Ay

We say Ay  
Ay
