Why be afraid if I'm not alone?  
Life is never easy, the rest is unknown  
Up to now for me it's been hands against stone  
Each and every moment searching for what to believe

Coming out of the dark, I finally see the light now  
And it's shining on me  
Coming out of the dark, I know the love that saved me  
Sharing with me

Starting again is part of the plan  
I'll be so much stronger holding your hand  
Step by step, I'll make it through, I know I can  
May not make it easier but I have felt you near all the way

Coming out of the dark, I finally see the light now  
And it's shining on me, I see the light  
Coming out of the dark, I know the love that saved me  
Sharing with me

Ever, I stand on the rock of your love  
Ever, ever, can't nobody stop me, watch me  
Ever, and ever, stand on the rock of your  
Love is all it takes, no matter what we face

Coming out of the dark, I finally see the light now  
And it's shining on me, yes it's shining on me  
I know the love that saved me  
You're sharing, you're sharing with me, you're sharing with me  
You're sharing with me, you're sharing with me

Cannot be in the dark, make it into the light, yea  
You're love is shining on me, shining on me,  
shining on me  
See the light, I see the light, shining, shining on me  
I didn't think that I could take it but your love helped me to make it  
Coming out of the dark, I see the light now, see the light now
