Nunca quise hacerte daÑ±o  
Con mi comportamiento  
Pero se que mis ENGANOS  
Hirieron tus sentimientos  
Ay, yo lo se

En pleno dia de verano  
Mi corazon VIVIO un invierno  
Y es que aun sigo esperando  
Que tu vulvas y me otorgues  
Tu perdon

En las noches  
Te busco y no te encuentro  
Tu ausencia me causa gran dolor  
Solo se que hoy te extraÑ±o  
Y que me arrepiento  
Tu adios es muy amargo  
Para aquella que una vez  
Probo tu amor

Regresa a mi, quiero sentir  
El calor de tu piel  
Me cego la tentacion  
No vuelve a suceder  
Estar sin ti es un sufrir  
DEMASIADO cruel  
SIN tu amor no quiero seguir  
Regresa otra vez

Hoy dudas de mis palabras  
La verdad es que no te culpo  
Pero aun vive la ESPERANZA  
Que tu VUELVAS y me otorgues  
Tu perdon

Dame otra oportunidad  
Para que veas que he CAMBIADO De verdad  
Dame otra oportunidad  
QUIERO enseÑ±arte que soy solo tuya  
NOMAS, tuya NOMAS  
Dame otra oportunidad

Tu adios, cuanto duele en el alma  
Dame otra oportunidad  
Perdon, perdon, perdon te pido  
De RODILLAS  
Te lo juro que no vuelve a pasar

Lo unico que pido es  
Que me des un chance mas  
Solo, solo pido un chance mas

Lo unico que pido es  
Que me des un chance mas  
Regresa a mi  
Que tu amor me hace falta  
Y duele de verdad  
Lo unico que pido, es un chance mas

Dame otra OPORTUNIDAD

Nunca quise hacerte daÑ±o  
Con mi comportamiento  
Pero aun vive la esperanza  
Que tu VUELVAS

Y me otorgues tu perdon

Translation:

I never meant to hurt you with the things I did  
But I know my actions hurt your feelings  
Oh yes, I know

On a summer day  
My heart is in winter  
And I'm still waiting for you to come back  
And to forgive me

At night I look for you  
But can't find you  
Your absence causes me pain  
All I know is that I miss you  
And that I'm very sorry  
To someone who once tasted your love  
Your goodbye is very bitter

Come back to me  
I want to feel your warm skin  
Temptation blinded me  
It will never happen again  
Being without you  
Is too cruel a suffering

I don't want to live without your love  
Please come back

I know you doubt my word  
I can't really blame you  
But the hope still lives in me  
That you'll come back and forgive me

(Give me another chance)  
So you can see that I've really changed  
(Give me another chance)  
I want to show you that I'm only yours, only yours  
(Give me another chance)  
Your goodbye hurts me deep inside  
(Give me another chance)  
Forgive, forgive, forgive me  
I ask you on my knees  
I promise it will never happen again

(The only thing I ask that you give me one more  
chance)  
I only, only want one more chance  
(The only thing I ask is that you give me one more  
chance)  
Come back to me because I need your love  
And this really hurts  
(The only thing I ask you is one more chance)

(Give me another chance)

I never meant to hurt you with the things I did  
But the hope still lives in me  
That you'll return  
And give me your forgiveness
