Do you want to dance
Would you take a chance with me
Let the music play
Dance your life away, be free
Don't you know that with the music
You're dancing all your troubles away
Do you wanna dance
Would you take a chance today
Do you wanna dance
Would you take a chance today
Come on baby
Do you wanna dance
Come on everybody
You've gotta take a chance
Come on baby
Do you wanna dance
Come on everybody

Please don't be so shy
Come on, just give it a try for me
Don't you feel the beat
It's as easy as one, two, three
Don't you know that with the music
You're dancing all your troubles away

Do you wanna dance
Would you take a chance today
Do you wanna dance
Would you take a chance today
Come on baby
Do you wanna dance
Come on everybody
You've gotta take a chance

Come on, lets, baby,
Please dance with me baby
I know you do it so good
I'll be waiting all night
Just to make you feel right
And now it's up to you
Come on and boogie with me
Come on baby

Do you wanna dance
Come on everybody
You've gotta take a chance
