I can't light no more of your darkness
All my pictures seem to fade to black and white
I'm growing tired and time stands still before me
Frozen here on the ladder of my life
Too late to save myself from falling
I took a chance to change your way of life
But you misread my meaning when i met you
Closed the door and left me blinded by the light
Oh, oh

Don't let the sun go down on me
Although i searched myself
It's always someone else i see
I'm just another fragment of your life
To wander free
But losing everything
Is like the sun going down on me
Sun going down on me
I can't find all the right romantic lines
But see me once and see the way i feel
Don't discard me just because you think i mean you
harm
But these cuts i have for any love
And love to help them heal, help them heal

Don't let the sun go down on me
Although i searched myself
It's always someone else i see
I'm just another fragment of your life
To wander free, free
But losing everything is like the sun going down on me
(don't let the sun go down on me)
Although i searched myself
It's always someone else that i see
I'm just another fragment of your life
To wander free, free
But losing everything
Is like the sun going down on me
Sun going down on me
Don't let it go down on me
Don't let the sun go down on me
Don't let the sun go down on me

Don'tcha let the sun go down
Go down on me, no no no
Don't let the sun
Don't let the sun go down
Don't let the sun go down on me
Don't let the sun go down
Don't let it go down, no no no no
No no no
Don't let the sun go down on me
