The clock is tickin'  
And I'm here wishin'  
This new found love  
Will find no end

Don't wanna feel  
Another feelin'  
Don't wanna know  
What time will send

I wanna stop  
The earth from turnin'  
The rain from fallin'  
The wind from blowin'

But don't stop  
(Stop)  
The love from growin'  
Keep that river flowin'  
We can find a way

Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today

Don't stop  
(Stop)  
Stop the hands of time

Hold back the time  
And make forever  
The same as the moment  
I felt your love

You've touched my heart  
Erased the pain  
The memories and mistakes  
I made

(Stop)

The earth from turnin'  
The rain from fallin'  
The wind from blowin'

Don't stop  
(Stop)  
The love from growin'  
Keep that river flowin'  
We can find a way

Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today

Don't stop  
(Stop)  
The flame from burnin'  
Stop tomorrow's hurtin'  
From seein' the light

Don't stop  
(Stop)  
My heart from beatin'  
Keep the time from fleetin'  
Into the night

Can't think about tomorrow's fears  
'Cause today is here to stay  
Clear away all of yesterday's tears  
There's nothin' to block our way

(Stop)  
The earth from turnin'  
The rain from fallin'  
The wind from blowin'  
The sun from shinin'

Can't find the reason  
Another season  
Could never match your  
Love so pleasin'

Don't let it go  
No no no no no

Don't stop  
(Stop)  
The love from growin'  
Keep that river flowin'

We can find a way

Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today

Don't stop  
(Stop)  
The flame from burnin'  
Stop tomorrow's hurtin'  
From seein' the light

Don't stop  
(Stop)  
My heart from beatin'  
Keep the time from fleetin'  
Into the night

Don't stop  
(Stop)  
The love from growin'  
Keep that river flowin'  
We can find a way

Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today

Don't stop the love  
Stop the time  
Another day  
To keep you mine

Don't stop the love  
Stop the time  
Another day  
To keep you mine
