Two of hearts, lace and satin, something in the air
Feel like another crok that's been captured by your
stare

Uh-oh, uh-oh
Falling in love, falling in love again
Uh-oh, uh-oh, and I don't wanna no, no, no
Uh-oh, uh-oh, falling in love, falling in love again
Uh-oh, uh-oh, falling, falling

Jealous feelings, reappearing, such a wicked dare
I'm just so damned confused and I wonder, do you
care?

Uh-oh, uh-oh
Falling in love, falling in love again
Uh-oh, uh-oh, and I don't wanna no, no, no
Uh-oh, uh-oh, falling in love, falling in love again
Uh-oh, uh-oh, falling, falling

Like walking in the park

Or dancing in the dark
Just wanna hold you through out the night

Prince of fire, sweet desire, with devil may you care
Release me from your spell
I don't want this, love ain't fair

I'm falling in love again
Uh-oh, uh-oh
Falling in love
Uh-oh, uh-oh, falling, falling
Uh-oh, uh-oh, falling in love, falling in love again
Uh-oh, uh-oh, falling in love, falling in love again
Uh-oh, uh-oh, falling in love, falling in love again uh-oh,
uh-oh, and I don't wanna no, no, no
Uh-oh, uh-oh, falling in love, falling in love again
Uh-oh, uh-oh, falling, falling
