You say I know it's a waste of time, there's no use  
trying  
So scared that life's gonna pass you by, your spirit  
dying  
Not long ago I could feel your strength and your  
devotion  
What was so clear is now overcast with mixed emotions

Deep in your heart is the answer  
Find it, I know it will pull you through

Get on your feet  
Get up and make it happen  
Get on your feet  
Stand up and take some action

I think it's true that we've all been through some nasty  
weather  
Let's understand that we're here to handle things  
together  
You gotta keep looking onto tomorrow  
There's so much in life that's meant for you

Get on your feet  
Get up and make it happen  
Get on your feet  
Stand up and take some action

Get on your feet  
Don't stop before it's over  
Get on your feet  
The weight is off your shoulder

Get up and make it happen  
Stand up, stand up, stand up and take some action

Gotta get on your feet, yeah, yeah  
Don't stop before it's over  
Get on your feet  
The weight is off your shoulder

Get on your feet

Get up, get up, get up and make it happen  
Get on your feet  
Stand up, stand up and take some action, some action

Get on your feet  
Get up, stand up  
Don't stop before it's over  
Gotta get on your feet
