Go away, won't you just go away  
Go away, don't you come back one day  
Take your stuff, take all of your precious things  
Leave right now, who knows what tomorrow brings

Stay away, won't you please stay away  
Live your life, live it real far away  
Save yourself, there's no way to get it all  
Look around the writing is on the wall

And when you go, I won't miss you at all  
And when you go, I'll be having a ball you will see  
Thoughts of you, won't ever cross my mind  
It's the truth, don't mean to be unkind

'Cause people have the right to party  
And you won't let them have their fun  
See ya, wouldn't wanna be ya  
Auf wiedersehen, au revoir, shalom

Yeah, people have the right to party  
And we're not waiting till you're gone  
Ciao, bye bye, hasta la vista  
Fare thee well, adios, so long

Go away, would you please go away  
Go away, you're outta here come what may  
Hit the road, don't bother to say goodbye  
Don't care how, don't even matter why

And when you go, I won't miss you at all  
And when you go, I'll be having a ball you will see  
Thoughts of you, won't ever cross my mind  
It's the truth, don't mean to be unkind

People have the right to party  
And you won't let them have their fun  
See ya, wouldn't wanna be ya  
Auf wiedersehen, au revoir, shalom

Yeah, people have the right to party  
And we're not waiting till you're gone

Ciao, bye bye, hasta la vista  
Fare thee well, adios, so long

Ciao, bye bye, hasta la vista  
Fare thee well, adios, so long
