Rosie:

Don't want tinsel  
Don't want bows  
Don't want Rudolph's  
Shiny nose  
I'm gonna eat  
For Christmas

Gloria:

From my diet  
I will stray  
But I'll workout  
The next day  
(Oh what a shock! )  
Gonna eat  
For Christmas

Both:

It's a time  
For giving  
Rosie:  
Won't you give me  
Mashed potatoes  
And ham?

Both:

It's a time  
For sharing

Gloria:

Are you gonna  
Polish off  
Those yams?

Rosie:

You mean these?

Gloria:

No?

Rosie:

Yes I am

Rosie:

I don't say  
This to be nice  
I'll have more

Black beans and rice  
Gonna eat  
For Christmas

Gloria:  
At the family shindig,  
Gonna be  
The Christmas pig

Both:  
But I'll leave some room

Gloria:  
I'm planning quite a buffet

Rosie:  
Please don't throw away

Both:  
That leftover food  
Santa gave us some advice  
To be naughty's very nice  
Cause when you're stuffed  
It'll always feel like  
Christmas to you

Rosie:  
Oh,  
That was exhausting,  
Oh we got a break now?

Gloria:  
Oh, yeah

Rosie:  
I am so hungry Glo,  
What'ya got?

Gloria:  
Put down that sandwich

Rosie:  
Well,  
Do you have anything

Gloria:  
You can't eat now

Rosie:  
I can eat this now

Gloria:  
No, there's no time

Rosie:  
How much time

Do we have?

Gloria:  
We're almost  
Going to sing now...

Rosie:  
Let me just.

Wait...

I can swallow...  
You take  
The first part  
Gloria:  
Get her some water  
For god sake  
Rosie:  
I'll join you, go.

Gloria:  
There's a twinkle  
In my eye  
For a piece  
Of pumpkin pie  
Gonna eat  
For Christmas

Rosie:  
If I eat  
One more soufflé,  
I won't fit  
In Santa's sleigh

Both:  
I'll be filled  
With gloom

Gloria:  
To face the scale  
The next day,  
Is no holiday

Rosie:  
We'll sing  
A different tune  
(You know it)

Gloria:  
Take advantage  
While we may

Rosie:  
Let's pig out  
On Christmas day  
Cause  
When you're stuffed  
It'll always feel  
Like Christmas  
To you

Rosie:  
That was fun

Gloria:  
Whoa, Yeah

Rosie:  
You know

There's  
A candy machine  
In the lobby.  
Did you see it?  
No, it's there.  
Gloria:  
I can't believe you  
Rosie: Oy!
