Good night my love  
pleasant dreams  
sleep tight my love  
May tomorrow be sunny and bright  
And bring you closer to me

Before you go please remember I need you so  
And this love that I have for you  
Will never grow cold

If you should awake in the still of the night  
Please have no fear for I'll be there  
You know I care  
Please give your love to me dear only

Good night my love  
Pleasant dreams  
And sleep tight my love  
May tomorrow be sunny and bright  
And bring you closer to me

Before you go please remember I need you so  
And this love that I have for you  
Will never grow cold

Good night my love  
Good night my love
