Goodnight my love
Pleasant dreams, sleep tight my love
May tomorrow be sunny and bright
And bring you closer to me

Before you go please remember
I need you so
And this love that I have for you
Will never grow cold

If you should wake in the still of the night
Please have no fear for I'll be there
You know I care
Please give your love to me dear only

Goodnight my love
Pleasant dreams and sleep tight my love
May tomorrow be sunny and bright
And bring you closer to me

Before you go please remember
I need you so
And this love that I have for you
Will never grow cold

Goodnight my love
