Hablas de mÃfÂ
Y al oirte no puedo creer
Que estes hablando de mÃfÂ
Hablas de mÃfÂ
Y al hacerlo tratas de ocultar
Lo que he sido para ti
Yo que fui mÃfÂis que tu vida
Yo que siempre te tenÃfÂa
Tan seguro entre mis brazos
Yo que cada noche daba
La plenitud de mi alma
Si es que tÃfÂº me lo pedias

Hablas de mÃfÂ
No es posible alguien pueda creer
Lo que cuentas de nosotros
MÃfÂis si algo queda por dentro
Algo mÃfÂis que tu despecho
Se sincero ante ti mismo
Y antes de hablar del pasado
Piensa que tal vez un dÃfÂa
Quieras volver a mi lado
(Hablas De MÃfÂ)

You're talking about me
And upon hearing you, i can't believe
That you're talking about me
You're talking about me
And in doing so, you're trying to hide
What i've been to you
I, who meant more to you than life itself
I, who always thought i had you securely in my arms
I, who each night gave you the depth of my soul
If you asked it of me

You're talking about me
It's not possible anyone could believe
The things you're saying about us
But if there's anything left inside
Something other than your disdain
Be honest with yourself
And before you speak of the past

Remember one day you might
Want to come back to me
