Love sometimes can be like destiny
There's no way to say forever
It may not realize your dreams
And love sometimes is like the blowing wind
It can take us to wherever
sending us on silent wings

But I have broken all the rules of love
I never dreamed that I could come this far (come this far)
And now I'm lost in my emotions
You're becoming my devotion
There's nothing I can do to stop this love for you

I was not supposed to fall in love with you
I have someone else and someone else is loving you
And I was not supposed to let this love get through (let love get through)
So let me say for real: Heaven is what I feel when I'm with you
(This feeling is forever) It is forever
(You make me feel like Heaven) I feel like Heaven
(My love is true when I'm with you)

How could I have known that in your eyes (in your eyes)
I would find the deepest answers to the questions of my heart
And how could I have known that by your side (by your side)
was the light to fill the darkness in the shadows of my life

But I have broken all the rules of love
I never dreamed that I could come this far
And now I'm lost in my emotions
You're becoming my devotion
There's nothing I can do to stop this love for you

I was not supposed to fall in love with you
I have someone else and someone else is loving you
And I was not supposed to let this love get through (let

love get through)
So let me say for real: Heaven is what I feel when I'm
with you
(This feeling is forever)
(You make me feel like heaven) My love, my love
(My love is true when I'm with you) My love, my love
(This feeling is forever) It is forever
(You make me feel like Heaven) I feel like Heaven
(My love is true when I'm with you)

Heaven, Heaven
Is what I feel when we're together
Heaven, Heaven
Just look in my eyes and you'll see it's the truth

And I was not supposed to fall in love with you
I have someone else and someone else is loving you
And I was not supposed to let this love get through (let
love get through)
So let me say for real: Heaven is what I feel
And I was not supposed to let this love get through (let
love get through)
So let me say for real: Heaven is what I feel when I'm
with you
