Love sometimes  
Can be like destiny  
There's no way to see forever  
May not realize your dreams

And love sometimes  
Is like the blowin' wind  
It can take us to wherever  
Sending us on silent wings

But I have broken  
All the rules of love  
I never dreamed that  
I could come this far

And now I'm lost in my emotions  
You're becomin' my devotion  
There's nothin' I can do  
To stop this love for you

I was not supposed  
To fall in love with you  
I have someone else  
And someone else is lovin' you

And I was not supposed  
To let this love get through  
So, let me say for real  
Heaven's what I feel when I'm with you

This feeling is forever  
You make me feel like heaven  
My love is true when I'm with you

How could I have known  
That in your eyes  
I would find the deepest answer  
To the questions of my heart

And how could I have known  
That by your side  
Was the light to fill the darkness

And the shadows of my life

But I have broken  
All the rules of love  
I never dreamed that  
I could come this far

And now I'm lost in my emotions  
You're becomin' my devotion  
There's nothin' I can do  
To stop this love for you

I was not supposed  
To fall in love with you  
I have someone else  
And someone else is loving you

And I was not supposed  
To let this love get through  
So, let me say for real  
Heaven's what I feel when I'm with you

This feeling is forever  
You make me feel like heaven  
My love is true when I'm with you

This feeling is forever  
You make me feel like heaven  
My love is true when I'm with you

Heaven, heaven  
Is what I feel  
When we're together  
Heaven, heaven  
Just look in my eyes  
And you'll see it's the truth

I was not supposed  
To fall in love with you  
I have someone else  
And someone else is loving you

And I was not supposed  
To let this love get through  
So, let me say for real  
Heaven's what I feel

And I was not supposed  
To let this love get through  
So, let me say for real  
Heaven's what I feel when I'm with you
