I could lose my heart tonight, if you don't turn and walk  
away

Cos the way I feel I might lose control and let you stay  
Cos I could take you in my arms and never let go

I could fall in love with you  
I could fall in love with you

I can only wonder how touching you would make me  
feel

But if I take that chance right now, tomorrow will you  
want me still

So I should keep this to myself and never let you know

I could fall in love with you  
I could fall in love with you

And I know it's not right but I guess I should try  
To do what I should do

But I could fall in love, fall in love with you, baby  
I could fall in love with you

And so I should keep this to myself  
And never let you know

I could fall in love with you  
I could fall in love with you

I could fall in love, I could fall in love with you  
I could fall in love with you
