Everybody is lazy
Nobody wants to do anything
Everyone's crazy
At times I think I've had enough of it
Living together
It's not a easy thing to begin
Making life a little better
Takes the power of your second please
I've been around to love
I'm trying hard, I know
I haven't reach my ball
I'll do what I have to do
Someday we'll see it through
As long as I have you

We've got to keep on pushing
(we've got to keep on pushing)

We've got to keep on trying
(we've got to keep on trying)
We've got to keep on pushing
(we've got to keep on pushing)
We've got to keep on trying
(we've got to keep on trying)
We've got to keep on pushing
(we've got to keep on pushing)
We've got to keep on trying
(we've got to keep on trying)
We've got to keep on pushing
(we've got to keep on pushing)
We've got to keep on trying
(we've got to keep on trying)
