(Doo wop bop)

When it comes to boys

Mamma always said

"Never let any temptation go to your head"

(Doo wop bop)

Oh, but it's so tempting so delicious

When I kiss your lips

When I feel your fingertips

'Cause ooh, you're my love toy

(No batteries required)

Ooh, you're my love toy

(Wind me up and I start to move)

Ooh, you're my love toy

(No batteries required)

No, no, no I'd be so ashamed

Besides I've got my reputation to maintain

Must you be so darn persistent

Tryin' to make me weak

'Bout to knock me off my feet

Ooh, you're my love toy

(No batteries required)

Ooh, you're my love toy

(Wind me up and I start to move)

Ooh, you're my love toy

(No batteries required)

(Doo wop bop)

(Ooi ooi doo wop, doo wop bop)

You are always on the sly

When I see you smiling

With that look in your eyes

Whispering those little secrets

You really turn me on

(Doo wop bop)

Makes me wanna have more fun

Ooh, you're my love toy

(No batteries required)
Ooh, you're my love toy
(Wind me up and I start to move)
Ooh, you're my love toy
(No batteries required)
Ooh, que rico

(Ooi ooi doo wop bop)
No batteries required
(Ooi ooi doo wop bop)
Love toy
(Ooi ooi doo wop bop)
No batteries required
(Ooi ooi doo wop bop)
Love toy
