There are some girls who'd never take a chance
And yet they say that they need more romance
Diamonds and pearls are all some girls can see
Your kiss is the jewel for me
I'm such a lucky girl
[inaudible]
Alright heyyy

(You do it to me like it's never been done before)
(You do it to me like it's never been done before)

There are some girls who'd never take a chance
And yet they say that they need more romance
Diamonds and pearls are all some girls can see
Your kiss is the jewel for me

I'm such a lucky girl
(Such a lucky)
(You make me feel like the only girl in the world)
(Such a lucky)
I'm such a lucky girl
(Such a lucky)
You do it to me like it's never been done before

(Such a lucky)
I'm gonna give it, give it, give it all to you
And when you look at me, I know it's true
I'm gonna spend my whole life here with you
And in my world only one fantasy you give it all to me
I'm such a lucky girl

(Such a lucky)
You make me feel like the only girl in the world
(Such a lucky)
I'm such a lucky girl
(Such a lucky girl)
You do it to me like it's never been done before

(Such a lucky)
I'm such a lucky girl
(Such a lucky)
You make me feel like the only girl in the world

(Such a lucky)

(Such a lucky girl)

You do it to me like it's never been done before

(Such a lucky)

I'm gonna give it, give it, give it all to you

(Hey hey hey)

(You do it to me like it's never been done before)

You do it to me like it's never been done before

(You make me feel like the only girl in the world)

You make me feel like the only girl in the world

(You do it to me like it's never been done before)

You do it to me like it's never been done before

Now, I thank my lucky stars above

For giving me the best of you to love

In love and in luck

I've got one guarantee

'Cause I got you here with me

I'm such a lucky girl

(Such a lucky)

You make me feel like the only girl in the world

(Such a lucky)

I'm such a lucky girl

(Such a lucky girl)

You do it to me like it's never been done before

(Such a lucky)

(Hey hey hey)

I'm gonna give it, give it, give it all to you

(I'm such a lucky girl)

Oh I'm such a lucky girl

(Such a lucky)

Lucky, lucky, lucky girl

(Such a lucky)

I'm gonna give it, give it, give it all to you

(Hey hey hey)

(You make me feel like the only girl in the world)

You make me feel like the only girl in the world

Lucky, lucky, lucky girl
