Tonight, I know  
Exactly what you want from me  
So come on, get close  
Here is where you wanna be

You wanna have a good time  
Let's hit the floor and do it right  
We can do it all night

Mis noches ser in tuyas  
Haremos mil locuras  
Apaguemos la luna

You make my heart go  
You make my heart go  
You make my heart go  
You make my heart go

Mi amor is yours  
As long as you don't let me go  
What I feel, right or wrong  
True love would never run

You wanna have a good time  
Let's hit the floor and do it right  
We can do it all night

Mis noches ser in tuyas  
Haremos mil locuras  
Apaguemos la luna

You make my heart go  
You make my heart go  
You make my heart go  
You make my heart go

Te voy a involucrar, te voy a besar  
Te voy a comer, vamos a volar  
A mi me dir is que bueno tu est is  
Yo a ti te dir o, t o no sabes na'

Ya se que tu no te intimidas

Que conmigo tãº te va' toda  
Seguro que no te imaginas  
Que esta noche el tipo te enamora

Acurrucaditos, vamo' a hacerlo fãcil  
I'm down, you're down, tãº me tienes rãipido mami  
Acurrucaditos, vamo' a hacerlo fãcil  
I'm down, you're down, tãº me tienes rãipido mami

You make my heart go  
You make my heart go  
You make my heart go  
You make my heart go
