It's been a real long time since I've seen it  
I'm sadly curious what's going down that way  
Within my heart and soul, I'll always be there  
But there's no way I can go back I just can't go

Mama yo no can't go, Mama no yo can't go no, no

Sometimes I can't believe how much you miss it  
I'm trying to understand mama but I just don't know  
What will you find back there, that you ain't got here  
I won't go back I'll tell you now I just can't go

(chorus)

I can't go, I can't go  
Mama yo no can't go  
I can't go, I can't go  
Mama yo no can't go

I'm into liberty, I 'm into freedom  
And God I know someday they will overcome  
Within my heart and soul, I'll always be there  
But there's no way I can go I just can't go

(repeat chorus)

(ad libs)

No matter what you do or what you say  
I ain't going anyway no  
I told you once I'll tell you twice again  
Mama yo no just can't win, no, no

It's been a real long time since last I've seen it  
I'm sadly curious what's going on down that way  
Within my heart and soul, I'll always be there  
But there's no way I can go back, I just can't go

(repeat chorus)
