Anything for you, though you're not here
Since you said we're through, it seems like years
Time keeps draggin' on and on and forever's been and
gone
Still I can't figure what went wrong

I'd still do anything for you
I'll play your game
You hurt me through and through
But you can have your way

I can pretend each time I see you
That I don't care and I don't need you
And though you'll never see me cryin'
You know inside I feel like dying

And I'd do anything for you
In spite of it all
I've learned so much from you
You made me strong

Don't you ever think that I don't love you
That for one minute I forgot you
But sometimes things don't work out right
And you just have to say goodbye

I hope you find someone to please you
Someone who'll care and never leave you
But if that someone ever hurts you
You just might need a friend to turn to

And I'd do anything for you
I'll give you up
If that's what I should do
To make you happy

I can pretend each time I see you
That I don't care and I don't need you
And though inside I feel like dying
You know, you'll never see me crying

Don't you ever think that I don't love you

That for one minute I forgot you
But sometimes things don't work out right
And you just have to say goodbye
