Tell me that I'm crazy 'cause I love to have fun
Stay up all night, party, go to bed with the sun
Always on the dance floor to the end of the night
But if I go home alone and everything is alright

Love and romance
Just ain't the same anymore, what can you do?
Accept or ignore

Thought I was wise about the ways of the world
But you gotta be crazy to have
Sex in the ninetys
Sex in the ninetys

Oh Saturday night I should decide what to do
Should I stay or should I play?
But whatever that is, I think the question's with who
Spontaneity's dead we should accept our own fate
Make a serious commitment to the nine seven six date

Come a long way baby
Sayin' it true
And if the seventys freed our inhibitions
What good did it do?

Gotta shut it in, get it out turn it away
'Cause you gotta be crazy to have
Sex in the ninetys
Sex in the ninetys
Sex in the ninetys
Sex in the ninetys

You've come a long way baby
Sayin' if true
If the seventys freed our inhibitions
What good did it do?

Gotta shut it in, get it out turn it away
'Cause you gotta be crazy to have
Sex in the ninetys
Sex in the ninetys
Sex in the ninetys

Sex in the ninetys
Sex in the ninetys
