Will you tell me
All your secrets
Could you really be sincere

Whisper all your inhibitions
The things you most fear

Don't turn away
I want to get to know you in the worst, worst way

Come back baby come back
Come back baby come back
Come back baby come back

Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me

Will you show me
All your treasures
That which is most near and dear

Share with me your
Prized possessions
Not just some souvenirs

Don't be afraid
A little tiny bit can go a long long way

Come back baby come back
Come back baby come back
Come back baby come back

Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me

Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me

Babe I love you can't you see
Baby tell me how you feel about me

Do you want me, do you need me?
Baby tell me honestly
Do you want my
Love forever or temporarily?

You've got the key
So open up your heart and
Be my destiny

Come back baby come back
Come back baby come back
Come back baby come back

Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me

Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me
Surrender
Su-su-surrender to me
