It's late and you're driving beside me  
The road seems to vanish ahead  
Every thing's melting around us  
Our future lies sleeping in back

Some pass too quickly  
Others stay behind  
I'm where I wanted all along  
To belong to you

Te amarÃfÂ©, te amarÃfÂ©, te amarÃfÂ©  
Te amarÃfÂ©, te amarÃfÂ©, te amarÃfÂ©  
Te amarÃfÂ©, te amarÃfÂ©, te amarÃfÂ©  
That one thing won't change

The sky changes moods through my window  
The moon disappears then returns  
A storm tries to threaten our journey  
Finally losing its nerve

Every thing's shifted  
Along the highway  
One thing is certain  
I belong all along to you

Te amarÃfÂ©, te amarÃfÂ©, te amarÃfÂ©  
Te amarÃfÂ©, te amarÃfÂ©, te amarÃfÂ©  
Te amarÃfÂ©, te amarÃfÂ©, te amarÃfÂ©  
That one thing won't change
