My angel, my angel
(Aah)
(Ooh)
La la la la
La la la la

I've been touched by an angel
When I look into your eyes
With my heart I see
You're a blessing from on high

I've been touched by an angel
(Angel)
What a beautiful surprise
(Angel)
Never thought I'd find
What I've searched for all my life

You can send me
On the wings of love
Flying higher than the clouds up in the sky
And whenever I kiss you
I feel like I might just die
Die and go to Heaven

I've been touched by an angel
If I'm dreaming let me sleep
I've found the deepest love
One I know I'll always keep

I was praying for a miracle
It was answered when you came into my life
(Came into my life)
From the moment I saw you
I felt my soul come alive
(Come alive)

I've been touched by an angel
(By an angel)
That was watching over me
Oh, brought me so much joy
And all the love I'll ever need

I've been touched by an angel
What a beautiful surprise
Never thought I'd find
What I've searched for all my life

Never before
(Never before)
Have I felt like this
(Have I felt like this)
So much in love
(So much in love, so much)
So much in love
(So much in love)

I've been touched by an angel
(By an angel)
That was watching over me
Oh, brought me so much joy
And all the love I'll ever need

I've been touched by an angel
(By an angel)
When I look into your eyes
With my heart I see
You're a blessing from on high

I've been touched by an angel
(La la la la la)
Touched by an angel
(La la la la la)
I found the deepest love
One I know I'll always keep
(La la la la la)

I've been touched by an angel
(La la la la la)
Touched by an angel
(La la la la la)
Brought me so much joy
All the joy I'll ever need
(La la la la la)

(Ooh touched)
