La la la la la
La la la la la
La la la la la
You've broken my heart
You left me
And now I'm tearing apart
You hurt my feelings
You've broken my heart
You left me
Now I'm tearing apart
Broken my heart
You left me
And now I'm tearing apart
You hurt my feelings
You've broken my heart
You left me
Now I'm tearing apart
If you go away then take
With you my heart

Know there is a part of me
That just won't let you go
I need for you to know
My love for you was real
Know sometimes I feel the love
I felt for you
And the things we used to do
Broken my heart
You left me
Now I'm tearing apart
Hurt my feelings
You've broken my heart
You left me
Now I'm tearing apart
Now that you have gone
I feel the loneliness
I try to live the rest among my life

The best I can without your love
But still the feeling isn't gone
Now that you have gone

And left me crying here each day
And let me say
You've broken my heart
You left me here
Now I'm tearing apart
You hurt my feelings
You've broken my heart
You left me
Now I'm tearing apart
Now that you've gone
I feel the loneliness
I try to live the among my life
The best I can without your love

But still the feeling isn't gone
Now that you have gone
And left me crying here each day
Let me say
You've broken my heart
You left me
Now I'm tearing apart
You hurt my feelings
You've broken my heart
You left me
Now I'm tearing apart
La la la la la la
La la la la la la la
La la la la la la la la
Broken my heart
You left me
Now I'm tearing apart
You hurt my feelings
You've broken my heart
You left me now I'm tearing apart

La la la la la la
La la la la la la la
La la la la la la la la
