I lost at love before
Got mad and closed the door
But you said try, just once more

I chose you for the one
Now we're having so much
You treated me so kind
I'm about to lose my mind
You made me so very happy
I'm so glad you came into my life

The others were untrue
But when it came to loving you
I'd spend my whole life with you
'Cause you came and took control
You touch my very soul
You always showed me that loving you is where it's at

You made me so very happy
I'm so glad you came into my life

Thank you baby!
Yeah, yeah

I love so much you see
You're even in my dreams, I can hear
Baby, I can hear you calling me
I'm so in love with you, all I ever want to do is
Thank you baby, thank you baby

You made me so very happy
I'm so glad you came into my life
You made me so very happy
You made me so, so very happy baby
I'm so glad you came into my life

I wanna thank you baby
Everyday of my life
I wanna thank you
You made me so very happy
So very happy baby
I wanna spend my life thanking you

Thank you baby
Thank you baby
