Anything for you though you're not here  
Since you said we're through, it seems like years  
Time keeps draggin' on and on and forever's been and  
gone  
Still I can't figure what went wrong

I'd still do anything for you  
I'll play your game  
You hurt me through and through  
But you can have your way

I can pretend each time I see you  
That I don't care and I don't need you  
And though you'll never see me cryin'  
You know inside I feel like dying

And I'd do anything for you  
In spite of it all  
I've learned so much from you  
You made me strong

But don't you ever think that I don't love you  
That for one minute, I forgot you  
But sometimes things don't work out right  
And you just have to say goodbye

I hope you find someone to please you  
Someone who'll care and never leave you  
But if that someone ever hurts you  
You just might need a friend to turn to

And I'd do anything for you  
I'll give you up  
If that's what I should do  
To make you happy

I can pretend each time I see you  
That I don't care and I don't need you  
And though inside I feel like dying  
You know you'll never see me crying

Don't you ever think that I don't love you

That for one minute, I forgot you  
But sometimes things don't work out right  
And you just have to say goodbye
