Betcha say that  
Betcha say that  
Betcha say that  
To all the girls

You say you'll be my knight in shining armour  
We'll run away and live a life of glamour  
You say for me you'll be true blue

You say you want me everywhere beside you  
And that you just cannot live without me no  
You say I love you

I betcha say that to all the girls  
Betcha say that

You say you wish I wasn't so defensive  
You try to kiss me but I'm apprehensive  
No, no, I just don't believe you

You say you feel as though you're going crazy  
Your head is spinning and your eyes are hazy  
You say I want you

I betcha say that to all the girls  
Betcha say that, betcha say that  
I betcha say that to all the girls  
Betcha say that

I just don't know why  
I don't believe you  
But I want you anyway

You say you wanna fall in love forever  
You'll get place where we can be together  
No more secret rendezvous

You say you're tired of always feelin' lonely  
And that you want me for your one and only

You say I wanna marry you

I betcha say that to all the girls  
I betcha say that  
I betcha say that

It's your favorite line and you think it's gonna work  
every time  
Ooh baby  
Betcha say that line to all the girls  
B-b-b-baby  
I betcha say that, say that  
I betcha use that line on all the girls

You think I was born yesterday  
You think with me that you can have your way  
Ooh baby, betcha say that line, to all the girls

Betcha say that
