BETCHA SAY THAT

(Joe Galdo, Lawrence Dermer and Rafael Vigil)

Betcha say that
Betcha say that
To all the girls

You say you'll be my knight in shining armour
We'll run away and live a life of glamour
You say for me you'll be true blue

You say you want me everywhere beside you
And that you just cannot live without me no
You say I love you

I betcha say that to all the girls
Betcha say that, betcha say that

You say you wish I wasn't so defensive
You try to kiss me but I'm apprehensive
No, no, I just don't believe you

You say you feel as though you're going crazy
Your head is spinning and your eyes are hazy
You say I want you

I betcha say that to all the girls
Betcha say that, betcha say that

I just don't know why
I don't believe you
But I want you anyway

You say you wanna fall in love forever
You'll get place where we can be together
No more secret rendezvous

You say you're tired of always feelin' lonely
And that you want me for your one and only

You say I wanna marry you

I betcha say that to all the girls

I betcha

It's your favorite line and you think it's gonna
work every time

Ooh baby

Betcha say that line to all the girls

B-b-b-baby

I betcha say that, say that

I betcha use that line on all the girls

You think I was born yesterday

You think with me that you can have your way

Ooh baby, betcha say that line, to all the girls

Betcha say that

Betcha say that
