Precious darling you know you're my man
All you got to do is wave your hand
Yes, I cherish all you got to give
I don't need nothing' else to live

All I need is your sweet lovin'
All I want is to feel it comin'
All I need is your sweet lovin'
All I want is your love

Taste that honey flowin' from your lips
I start shakin' from your fingertips
??? glowin'??? steady, movin' right on time
Feel so warm in these arms of mine

All I need is your sweet lovin'
All I want is to feel it comin'
All I need is your sweet lovin'

All I want is your love

Now darlin' when I'm with you
Say it feels so good inside
It's just makin' love to you
I'm so satisfied

All I need is your sweet lovin'
All I want is to feel it comin'
All I need is your sweet lovin'
All I want is your love
Yeah, baby
