Well, I think I'm goin' out of my head
Yes, I think I'm goin' out of my head
Over you
Over you
I want you to want me
I need you so badly
I can't think of anything but you

And I think I'm goin' out of my head
'Cause I can't explain the tears that I shed
Over you
Over you
I see you each morning
But you just walk past me
You don't even know that I exist

Chorus:

Goin' out of my head over you
Out of my head over you
Out of my head day and night
Night and day and night
Wrong or right

Bridge:

I must think of a way
Into your heart
There's no reason why
My being shy
Should keep us apart

Well, I think I'm goin' out of my head
Yes, I think I'm goin' out of my head

[repeat chorus]

Night and day and night
Wrong or right
Well, I think I'm goin' out of my head
Yes, I think I'm goin' out of my head
I see you each morning
But you just walk past me

You don't even know that I exist

Chorus:

Goin' out of my head over you
Out of my head over you

Out of my head day and night
Night and day and night
Wrong or right
