O little town of Bethlehem how still we see thee lie  
Above they deep and dreamless sleep the silent stars  
go by  
Yet in they dark streets shineth the everlasting light  
The hopes and fears of all the years are met in thee  
tonight

O holy child of Bethlehem descend to us, we pray  
Cast out our sin and enter in be born in us today  
We hear the Christmas angels the great glad tidings  
tell  
O come to us, abide with us, our Lord Immanuel

For Christ is born of Mary and gathered all above  
While mortals sleep, the angels keep their watch of  
wondering love  
O morning stars, together proclaim the holy birth  
And praises sing to God the King and peace to men on  
Earth
