My God is more than enough
He can supply all my needs
He is my El Shaddai
He always looks out for me

Jehovah Jirah, He is my God
Jehovah Jirah, He is my God

All of the earth is His
And the fullness there of
He's everything that I need
You can be sure of

Jehovah Jirah, He is my God
Jehovah Jirah, He is my God

So why should I worry
'Bout the highs and the lows
The ups and the downs
And by my faith, I know

My God is more than enough
He can supply all my needs
He is my El Shaddai
He always looks out for me

Jehovah Jirah, He is my God
Jehovah Jirah, He is my God
